

# INTERNATIONAL LECTURE JUNGIAN STUDIES

## PROF. DOC. MARK SABAN

UNIVERSIDADE PAULISTA (UNIP)

APRIL 13<sup>th</sup> 2023

Registration is open for the international lecture taught by Prof. Dr. Mark Saban, lecturer and researcher of the “Department of Psychosocial and Psychoanalytic Studies” from the UNIVERSITY OF ESSEX (REINO UNIDO).

Prof. Dr Mark Saban is a lecturer, Jungian analyst and researcher. His research focuses upon the interface between inner and outer dimensions of the psyche and he is particularly interested in the role of affect and emotion within transference/ countertransference and the psychosocial, or as Gilbert Simondon puts it, the transindividual.

In this specific lecture, students will learn about key concepts of Jungian theory, and especially that of individuation and its significance – both personal and collective - in the contemporary context.

Public: Professionals and students of Psychology’s field

Participant’s Requirements: proficiency in English  
(minimum level: advanced intermediate)

**Registration:** <https://posunip.com.br/evento/148>

Date: 13th April 2023 - 19h00

Location: Campus Paraíso

The event will be free and the lecture will be held in English, without simultaneous translation.
